RIGHT TO REVOKE YOUR SIMPLE IRA

You have the right to revoke your SIMPLE IRA within seven (7) days of the receipt of the disclosure statement. If revoked, you are entitled to a full return of the contribution you made to your SIMPLE IRA. The amount returned to you would not include an adjustment for such items as sales commissions, administrative expenses, or fluctuation in market value. You may make this revocation only by mailing or delivering a written notice to the custodian at the address listed on the application.

If you send your notice by first class mail, your revocation will be deemed mailed as of the postmark date.

If you have any questions about the procedure for revoking your SIMPLE IRA, please call the custodian at the telephone number listed on the application.

REQUIREMENTS OF A SIMPLE IRA

- A. **Cash Contributions** – Your contribution must be in cash, unless it is a rollover contribution.
- B. **Maximum Contribution** – The only contributions that may be made to your SIMPLE IRA are employee elective deferrals under a qualified salary reduction agreement, employer contributions, and other contributions allowed by the Code or related regulations, that are made under a SIMPLE IRA plan maintained by your employer. Employee elective deferrals may not exceed the lesser of 100 percent of your compensation for the calendar year or \$12,000 for 2014 or \$12,500 for 2015, with possible cost-of-living adjustments each year thereafter. Your employer may make additional contributions to your SIMPLE IRA within the limits prescribed in Internal Revenue Code Section (IRC Sec.) 408(p). Your employer is required to provide you with information that describes the terms of its SIMPLE IRA plan.
- C. **Catch-Up Contributions** – If you are age 50 or older by the close of the taxable year, you may make an additional contribution to your SIMPLE IRA. The maximum additional contribution is \$2,500 for 2014 or \$3,000 for 2015, with possible cost-of-living adjustments each year thereafter.
- D. **Nonforfeitability** – Your interest in your SIMPLE IRA is nonforfeitable.
- E. **Eligible Custodians** – The custodian of your SIMPLE IRA must be a bank, savings and loan association, credit union, or a person or entity approved by the Secretary of the Treasury.
- F. **Commingling Assets** – The assets of your SIMPLE IRA cannot be commingled with other property except in a common trust fund or common investment fund.
- G. **Life Insurance** – No portion of your SIMPLE IRA may be invested in life insurance contracts.
- H. **Collectibles** – You may not invest the assets of your SIMPLE IRA in collectibles (within the meaning of IRC Sec. 408(m)). A collectible is defined as any work of art, rug or antique, metal or gem, stamp or coin, alcoholic beverage, or other tangible personal property specified by the Internal Revenue Service (IRS). However, specially minted United States gold and silver coins, and certain state-issued coins are permissible investments. Platinum coins and certain gold, silver, platinum or palladium bullion (as described in IRC Sec. 408(m)(3)) also are permitted as SIMPLE IRA investments.
- I. **Required Minimum Distributions** – You are required to take minimum distributions from your SIMPLE IRA at certain times in accordance with Treasury Regulation 1.408-8. Below is a summary of the SIMPLE IRA distribution rules.

1. You are required to take a minimum distribution from your SIMPLE IRA for the year in which you reach age 70½ and for each year thereafter. You must take your first distribution by your required beginning date, which is April 1 of the year following the year you attain age 70½. The minimum distribution for any taxable year is equal to the amount obtained by dividing the account balance at the end of the prior year by the applicable divisor.
2. The applicable divisor generally is determined using the Uniform Lifetime Table provided by the IRS. If your spouse is your sole designated beneficiary for the entire calendar year, and is more than 10 years younger than you, the required minimum distribution is determined each year using the actual joint life expectancy of you and your spouse obtained from the Joint Life Expectancy Table provided by the IRS, rather than the life expectancy divisor from the Uniform Lifetime Table.

We reserve the right to do any one of the following by April 1 of the year following the year in which you turn age 70½.

- (a) Make no distribution until you give us a proper withdrawal request
- (b) Distribute your entire SIMPLE IRA to you in a single sum payment
- (c) Determine your required minimum distribution each year based on your life expectancy calculated using the Uniform Lifetime Table, and pay those distributions to you until you direct otherwise

If you fail to remove a required minimum distribution, an additional penalty tax of 50 percent is imposed on the amount of the required minimum distribution that should have been taken but was not. You must file IRS Form 5329 along with your income tax return to report and remit any additional taxes to the IRS.

3. Your designated beneficiary is determined based on the beneficiaries designated as of the date of your death, who remain your beneficiaries as of September 30 of the year following the year of your death.

If you die on or after your required beginning date, distributions must be made to your beneficiaries over the longer of the single life expectancy of your designated beneficiaries, or your remaining life expectancy. If a beneficiary other than a person or qualified trust as defined in the Treasury Regulations is named, you will be treated as having no designated beneficiary of your SIMPLE IRA for purposes of determining the distribution period. If there is no designated beneficiary of your SIMPLE IRA, distributions will commence using your single life expectancy, reduced by one in each subsequent year.

If you die before your required beginning date, the entire amount remaining in your account will, at the election of your designated beneficiaries, either

- (a) be distributed by December 31 of the year containing the fifth anniversary of your death, or
- (b) be distributed over the remaining life expectancy of your designated beneficiaries.

If your spouse is your sole designated beneficiary, he or she must elect either option (a) or (b) by the earlier of December 31 of the year containing the fifth anniversary of your death, or December 31 of the year life expectancy payments would be required to begin. Your designated beneficiaries, other than a spouse who is the sole

designated beneficiary, must elect either option (a) or (b) by December 31 of the year following the year of your death. If no election is made, distribution will be calculated in accordance with option (b). In the case of distributions under option (b), distributions must commence by December 31 of the year following the year of your death. Generally, if your spouse is the designated beneficiary, distributions need not commence until December 31 of the year you would have attained age 70½, if later. If a beneficiary other than a person or qualified trust as defined in the Treasury Regulations is named, you will be treated as having no designated beneficiary of your SIMPLE IRA for purposes of determining the distribution period. If there is no designated beneficiary of your SIMPLE IRA, the entire SIMPLE IRA must be distributed by December 31 of the year containing the fifth anniversary of your death.

A spouse beneficiary will have all rights as granted under the Code or applicable Treasury Regulations to treat your SIMPLE IRA as his or her own.

If we so choose, for any reason (e.g., due to limitations of our charter or bylaws), we may require that a beneficiary of a deceased SIMPLE IRA owner take total distribution of all SIMPLE IRA assets by December 31 of the year following the year of death.

If your beneficiary fails to remove a required minimum distribution after your death, an additional penalty tax of 50 percent is imposed on the amount of the required minimum distribution that should have been taken but was not. Your beneficiary must file IRS Form 5329 along with his or her income tax return to report and remit any additional taxes to the IRS.

- J. **Qualifying Longevity Annuity Contracts and RMDs** – A qualifying longevity annuity contract (QLAC) is a deferred annuity contract that, among other requirements, must guarantee lifetime income starting no later than age 85. The total premiums paid to QLACs in your IRAs must not exceed 25 percent (up to \$125,000) of the combined value of your IRAs (excluding Roth IRAs). The \$125,000 limit is subject to cost-of-living adjustments each year.

When calculating your RMD, you may reduce the prior year end account value by the value of QLACs that your SIMPLE IRA holds as investments.

For more information on QLACs, you may wish to refer to the IRS website at www.irs.gov.

INCOME TAX CONSEQUENCES OF ESTABLISHING A SIMPLE IRA

- A. **Deductibility for SIMPLE IRA Contributions** – You may not take a deduction for the amounts contributed to your SIMPLE IRA as either employee elective deferrals or employer contributions. However, employee elective deferrals to a SIMPLE IRA will reduce your taxable income. Further, employer SIMPLE IRA contributions, including earnings, will not be taxable to you until you take a distribution from your SIMPLE IRA.

Participation in your employer’s SIMPLE IRA plan renders you an active participant for purposes of determining whether or not you can deduct contributions to a Traditional IRA.

- B. **Contribution Deadline** – SIMPLE IRA deferral contributions must be deposited into the SIMPLE IRA as soon as administratively possible, but in no event later than 30 days following the month in which you would have otherwise received the money. Employer matching or nonelective contributions must be deposited no later than the due date for filing the employer’s tax return, including extensions.

- C. **Tax Credit for Contributions** – You may be eligible to receive a tax credit for your SIMPLE IRA deferrals. This credit may not exceed \$1,000 in a given year. You may be eligible for this tax credit if you are

- age 18 or older as of the close of the taxable year,
- not a dependent of another taxpayer, and
- not a full-time student.

The credit is based upon your income (see chart below), and will range from 0 to 50 percent of eligible contributions. In order to determine the amount of your contributions, add all of the deferrals made to your SIMPLE IRA and reduce these contributions by any distributions that you may have taken during the testing period. The testing period begins two years prior to the year for which the credit is sought and ends on the tax return due date (including extensions) for the year for which the credit is sought. In order to determine your tax credit, multiply the applicable percentage from the chart below by the amount of your contributions that do not exceed \$2,000.

2015 Adjusted Gross Income*			Applicable Percentage
Joint Return	Head of a Household	All Other Cases	
\$1 – 36,500	\$1 – 27,375	\$1 – 18,250	50
\$36,501 – 39,500	\$27,376 – 29,625	\$18,251 – 19,750	20
\$39,501 – 61,000	\$29,626 – 45,750	\$19,751 – 30,500	10
Over \$61,000	Over \$45,750	Over \$30,500	0

*Adjusted gross income (AGI) includes foreign earned income and income from Guam, American Samoa, North Mariana Islands, and Puerto Rico. AGI limits are subject to cost-of-living adjustments each year.

- D. **Tax-Deferred Earnings** – The investment earnings of your SIMPLE IRA are not subject to federal income tax until distributions are made (or, in certain instances, when distributions are deemed to be made).

- E. **Excess Contributions** – If you defer more than the maximum allowable limit for the tax year, you have an excess deferral and must correct it. Excess deferrals, adjusted for earnings, must be distributed from your SIMPLE IRA.

If your employer mistakenly contributes too much to your SIMPLE IRA as an employer contribution, your employer may effect distribution of the employer excess amount, adjusted for earnings through the date of distribution. The amount distributed to the employer is not includible in your gross income.

- F. **Income Tax Withholding** – Any withdrawal from your SIMPLE IRA is subject to federal income tax withholding. You may, however, elect not to have withholding apply to your SIMPLE IRA withdrawal. If withholding is applied to your withdrawal, not less than 10 percent of the amount withdrawn must be withheld.

- G. **Early Distribution Penalty Tax** – If you receive a SIMPLE IRA distribution before you attain age 59½, an additional early distribution penalty tax of 10 percent (25 percent if less than two years have passed since you first participated in a SIMPLE IRA plan sponsored by your employer) will apply to the taxable amount of the distribution unless one of the following exceptions apply. **1) Death.** After your death, payments made to your beneficiary are not subject to the 10 percent early distribution penalty tax. **2) Disability.** If you are disabled at the time of distribution, you are not subject to the additional 10 percent early distribution penalty tax. In order to be disabled, a physician must determine that your impairment can be expected to result in death or to be of long, continued, and indefinite duration. **3) Substantially equal periodic payments.** You are not subject to the additional 10 percent early distribution penalty tax if you are taking a series of substantially equal periodic payments (at least annual payments) over your life

expectancy or the joint life expectancy of you and your beneficiary. You must continue these payments for the longer of five years or until you reach age 59½. **4) Unreimbursed medical expenses.** If you take payments to pay for unreimbursed medical expenses exceeding 10 percent of your adjusted gross income, you will not be subject to the 10 percent early distribution penalty tax. The medical expenses may be for you, your spouse, or any dependent listed on your tax return. **5) Health insurance premiums.** If you are unemployed and have received unemployment compensation for 12 consecutive weeks under a federal or state program, you may take payments from your SIMPLE IRA to pay for health insurance premiums without incurring the 10 percent early distribution penalty tax. **6) Higher education expenses.** Payments taken for certain qualified higher education expenses for you, your spouse, or the children or grandchildren of you or your spouse, will not be subject to the 10 percent early distribution penalty tax. **7) First-time homebuyer.** You may take payments from your SIMPLE IRA to use toward qualified acquisition costs of buying or building a principal residence. The amount you may take for this reason may not exceed a lifetime maximum of \$10,000. The payment must be used for qualified acquisition costs within 120 days of receiving the distribution. **8) IRS levy.** Payments from your SIMPLE IRA made to the U.S. government in response to a federal tax levy are not subject to the 10 percent early distribution penalty tax. **9) Qualified reservist distributions.** If you are a qualified reservist member called to active duty for more than 179 days or an indefinite period, the payments you take from your SIMPLE IRA during the active duty period are not subject to the 10 percent early distribution penalty tax.

You must file IRS Form 5329 along with your income tax return to the IRS to report and remit any additional taxes or to claim a penalty tax exception.

H. Rollovers and Conversions – Your SIMPLE IRA may be rolled over to another SIMPLE IRA or Traditional IRA of yours, may receive rollover contributions from another SIMPLE IRA, or may be converted to a Roth IRA, provided that all of the applicable rollover and conversion rules are followed. Rollover is a term used to describe a movement of cash or other property from your SIMPLE IRA to either a Traditional IRA or another SIMPLE IRA, or from your SIMPLE IRA to your employer’s qualified retirement plan, 403(a) annuity plan, 403(b) tax-sheltered annuity, or 457(b) eligible governmental deferred compensation plan after a two-year period has been satisfied. The amount rolled over is not subject to taxation or the additional 10 percent early distribution penalty tax. Conversion is a term used to describe the movement of SIMPLE IRA assets to a Roth IRA. A conversion generally is a taxable event. The general rollover and conversion rules are summarized below. These transactions are often complex. If you have any questions regarding a rollover or conversion, please see a competent tax advisor.

1. SIMPLE IRA-to-SIMPLE IRA Rollovers. Assets distributed from your SIMPLE IRA may be rolled over to a SIMPLE IRA of yours if the requirements of IRC Sec. 408(d)(3) are met. A proper SIMPLE IRA-to-SIMPLE IRA rollover is completed if all or part of the distribution is rolled over not later than 60 days after the distribution is received. In the case of a distribution for a first-time homebuyer where there was a delay or cancellation of the purchase, the 60-day rollover period may be extended to 120 days.

Effective for distributions taken on or after January 1, 2015, you are permitted to roll over only one distribution from an IRA (Traditional, Roth, or SIMPLE) in a 12-month period, regardless of the number of IRAs you own. A distribution may be rolled over to the same IRA or to another IRA that is eligible to receive the rollover. For more information on rollover limitations, you may wish to obtain IRS Publication 590, *Individual Retirement Arrangements (IRAs)*, from the IRS or refer to the IRS website at www.irs.gov.

2. SIMPLE IRA to Traditional IRA Rollovers. Assets distributed from your SIMPLE IRA may be rolled over to your Traditional IRA without IRS penalty tax, provided two years have passed since you first participated in a SIMPLE IRA plan sponsored by your employer. As with SIMPLE IRA-to-SIMPLE IRA rollovers, the requirements of IRC Sec. 408(d)(3) must be met. A proper SIMPLE IRA to Traditional IRA rollover is completed if all or part of the distribution is rolled over not later than 60 days after the distribution is received.

Effective for distributions taken on or after January 1, 2015, you are permitted to roll over only one distribution from an IRA (Traditional, Roth, or SIMPLE) in a 12-month period, regardless of the number of IRAs you own. A distribution may be rolled over to the same IRA or to another IRA that is eligible to receive the rollover. For more information on rollover limitations, you may wish to obtain IRS Publication 590, *Individual Retirement Arrangements (IRAs)*, from the IRS or refer to the IRS website at www.irs.gov.

3. SIMPLE IRA to Employer-Sponsored Retirement Plan Rollovers. You may roll over, directly or indirectly, any eligible rollover distribution from a SIMPLE IRA to an employer’s qualified retirement plan, 403(a) annuity, 403(b) tax-sheltered annuity, or 457(b) eligible governmental deferred compensation plan, provided two years have passed since you first participated in a SIMPLE IRA plan sponsored by your employer. The employer-sponsored retirement plan, however, must allow for such rollover contributions. A SIMPLE IRA may not receive rollovers from employer-sponsored retirement plans.

4. SIMPLE IRA to Roth IRA Conversions. You are eligible to convert all or any portion of your existing SIMPLE IRA(s) into your Roth IRA(s), provided two years have passed since you first participated in a SIMPLE IRA plan sponsored by your employer. If you convert to a Roth IRA, the amount of the conversion from your SIMPLE IRA to your Roth IRA will be treated as a distribution for income tax purposes, and is includable in your gross income. Although the conversion amount generally is included in income, the 10 percent early distribution penalty tax will not apply to conversions from a SIMPLE IRA to a Roth IRA, regardless of whether you qualify for any exceptions to the 10 percent early distribution penalty tax. If you are age 70½ or older you must remove your required minimum distribution before converting your SIMPLE IRA.

5. Written Election. At the time you make a rollover to a SIMPLE IRA, you must designate in writing to the custodian your election to treat that contribution as a rollover. Once made, the rollover election is irrevocable.

I. Recharacterizations – If you have converted from a SIMPLE IRA to a Roth IRA, you may recharacterize the conversion along with net income attributable back to the SIMPLE IRA. The deadline for completing a recharacterization is your tax filing deadline (including any extensions) for the year in which the conversion was completed.

LIMITATIONS AND RESTRICTIONS

A. Deduction of Rollovers and Transfers – A deduction is not allowed for rollover or transfer contributions.

B. Gift Tax – Transfers of your SIMPLE IRA assets to a beneficiary made during your life and at your request may be subject to federal gift tax under IRC Sec. 2501.

C. Special Tax Treatment – Capital gains treatment and 10-year income averaging authorized by IRC Sec. 402 do not apply to SIMPLE IRA distributions.

- D. **Prohibited Transactions** – If you or your beneficiary engage in a prohibited transaction with your SIMPLE IRA, as described in IRC Sec. 4975, your SIMPLE IRA will lose its tax-deferred status, and you must include the value of your account in your gross income for that taxable year. The following transactions are examples of prohibited transactions with your SIMPLE IRA. (1) Taking a loan from your SIMPLE IRA (2) Buying property for personal use (present or future) with SIMPLE IRA assets (3) Receiving certain bonuses or premiums because of your SIMPLE IRA.
- E. **Pledging** – If you pledge any portion of your SIMPLE IRA as collateral for a loan, the amount so pledged will be treated as a distribution and will be included in your gross income for that year.

OTHER

- A. **IRS Plan Approval** – The agreement used to establish this SIMPLE IRA has been approved by the IRS. The IRS approval is a determination only as to form. It is not an endorsement of the plan in operation or of the investments offered.
- B. **Additional Information** – For further information on SIMPLE IRAs, you may wish to obtain IRS Publication 590, *Individual Retirement Arrangements (IRAs)*, by calling 1-800-TAX-FORM, or by visiting www.irs.gov on the Internet.
- C. **Important Information About Procedures for Opening a New Account** – To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial organizations to obtain, verify, and record information that identifies each person who opens an account. Therefore, when you open a SIMPLE IRA, you are required to provide your name, residential address, date of birth, and identification number. We may require other information that will allow us to identify you.
- D. **Qualified Reservist Distributions** – If you are an eligible qualified reservist who has taken penalty-free qualified reservist distributions from your SIMPLE IRA or retirement plan, you may recontribute those amounts to an IRA generally within a two-year period from your date of return.
- E. **Disaster Related Relief** – If you qualify (for example, you sustained an economic loss due to, or are otherwise considered affected by, certain IRS designated disasters), you may be eligible for favorable tax treatment on distributions, rollovers, and other transactions involving your SIMPLE IRA. Qualified disaster relief may include penalty-tax free early distributions made during specified timeframes for each disaster, the ability to include distributions in your gross income ratably over multiple years, the ability to roll over distributions to an eligible retirement plan without regard to the 60-day rollover rule, and more. For additional information on specific disasters, including a complete listing of disaster areas, qualification requirements for relief, and allowable disaster-related SIMPLE IRA transactions, you may wish to obtain IRS Publication 590, *Individual Retirement Arrangements (IRAs)*, from the IRS or refer to the IRS website at www.irs.gov.
